Medi-Cal Eligibility Branch Information Letter No. 1-96-10

TO: All County Welfare Directors
All County Administrative Officers
All County Medi-Cal Program Specialists/Liaisons

REGIONAL TRAINING ON ARTICLE 9J -- PROPERTY HELD IN TRUSTS

The purpose of this letter is to inform you that we have selected six county sites for regional training sessions on the revised/new Medi-Cal Eligibility Procedures Manual Article 9J - Property Held In Trust. The training will focus on the changes to the treatment of trusts and annuities based on the implementation of OBRA '93, the treatment of Medicaid Qualifying Trusts, and all other trusts.

We have designated dates for the regional training sessions and would like to invite you to attend one of the following sessions. Training will be conducted by State staff from the Medi-Cal Eligibility Branch (MEB).

The six regional training sites, the counties invited to each location, the contact person, and the training dates and times are listed below. Directions/maps for the sites are enclosed for your convenience. **Due to limited space, we are requesting the counties send no more than three county staff who are program specialists and/or responsible for Medi-Cal staff training or procedures. Please notify Kathy Harwell at (916) 657-0146 or Sharyl Shanen-Raya at (916) 657-2942 at least two weeks prior to your designated session and confirm the number of participants from your county.** This will ensure that sufficient handouts are available for all participants. Counties who are unable to attend a session at a designated location may wish to attend one in another location. If so, please notify MEB of the change.
